What Is a Sozo Session?

Sozo is an inner/soul healing ministry designed to help people move forward in an intimate relationship with Father God, Jesus, and Holy Spirit, experiencing a deeper level of freedom in their lives. "Sozo" is a Greek word meaning "to save, to heal, to deliver, and to make well/whole." During a Sozo session, two facilitators walk with you through a gentle, non-judgmental time of interacting with Father God, Jesus, and Holy Spirit (usually 2-3 hours). This process (not therapy, not counseling) can include healing from past wounds, breaking strongholds, replacing lies with truth, tearing down walls, and closing doors to the enemy. Through a healed connection with God, you can walk more freely and more peacefully toward the destiny for which you were created.
